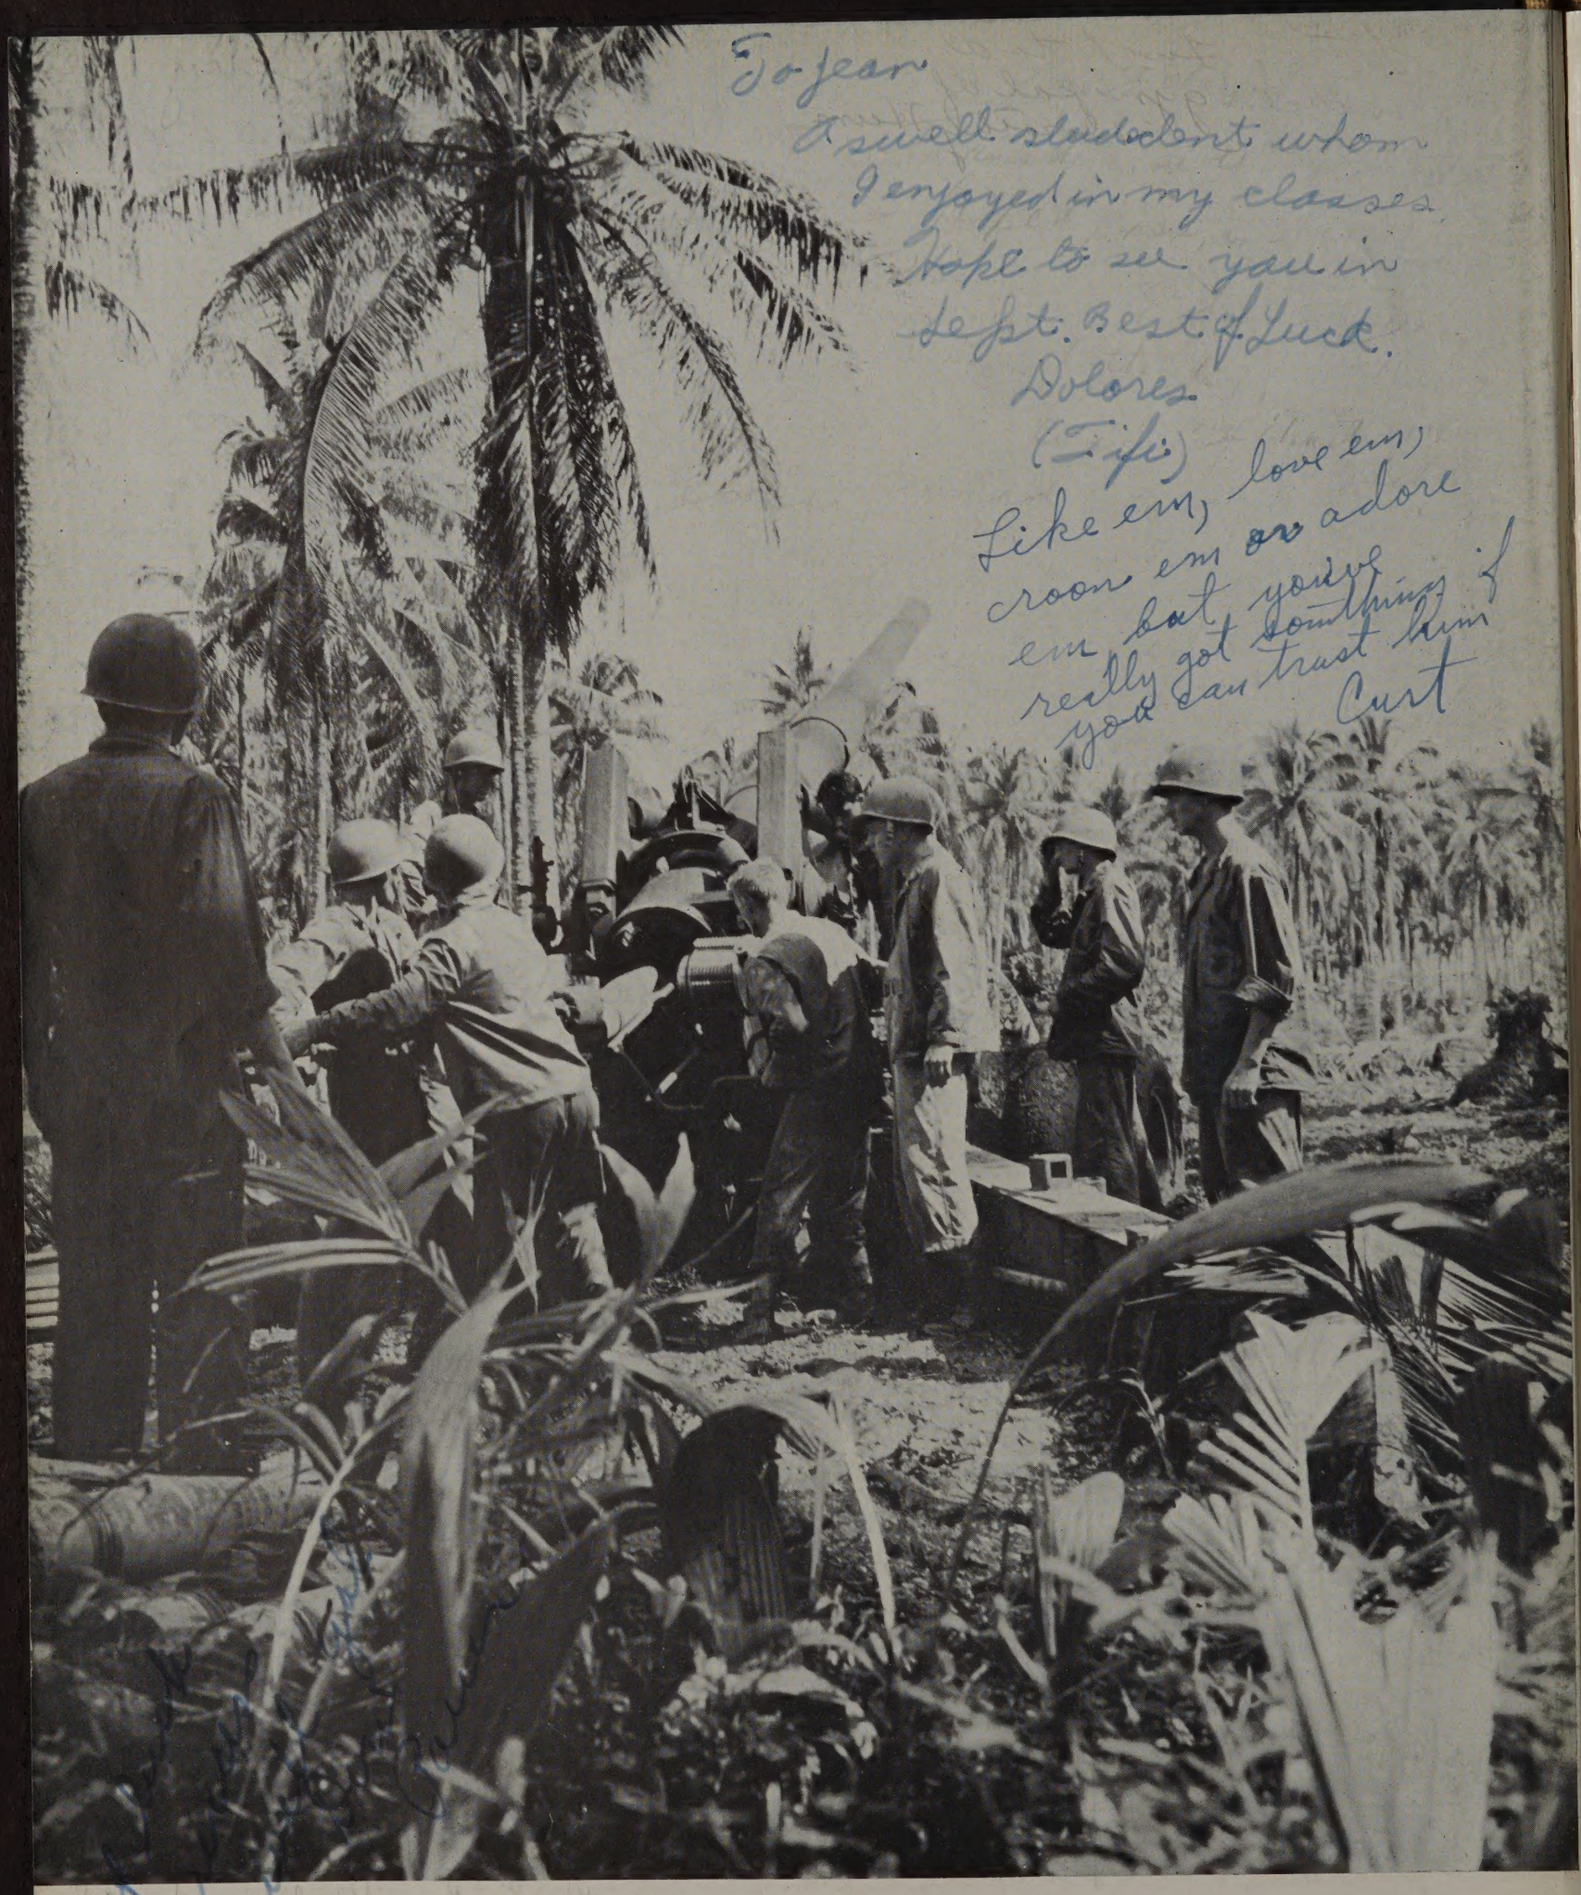
1944



They Give Their Lives

We Do Our Bit

Dedication

by Elsie Friedrich

We, the students of Rufus King High School, dedicate this 1944 yearbook to the future. The past is over; the present we can not materially change. But the future is ours — it belongs to us, and us alone. True, the future is not all milk and honey. It is not even promising. We must now dedicate ourselves to the immense problem confronting us: to learn many things, among them tolerance for others, and to learn them well, so that we can take good care of this trust of ours. We must see to it that we do not make the mistake that has been made so often before — we must see to it that we not only win this war, but also win the peace. There can be no hatred of any people because of their nationality, color, race, or religious beliefs. By arming ourselves with the knowledge of errors that have been made, we will be able to keep faith with those fighting men who are right now doing all in their power to defeat our enemies. It is necessary that we prove to these men that their sons will never have to take up arms again because we, the hope of the nation, failed to do our part. Some day, 'way in the future which we are all planning for, if we have accomplished our aims, the people of the next generation will be members of a united, friendly family of nations ignorant of war, except as they read of it in history books. Let us pray that that day will not be far off.

My darling —

Oh, how sweet. It sure has been swell knowing you at school, & also working with you at Schuster's. I work so extremely hard that my hand wavers when I write. (As you can plainly see). Well, I really do wish you all the love, luck, & happiness that you deserve. I hope to see a lot of you this summer, and also next semester.

Loads of Love
Charlotte
Herman.

P.S. Thanks for a swell time at the lake.

Dear Jean,
Best wishes to you and here's hoping you have a successful and happy future.
Sincerely,
Bev Norell.

To a very nice girl in Homeroom.
Clay.

All my love to you Jean! Will you come over or write this summer.

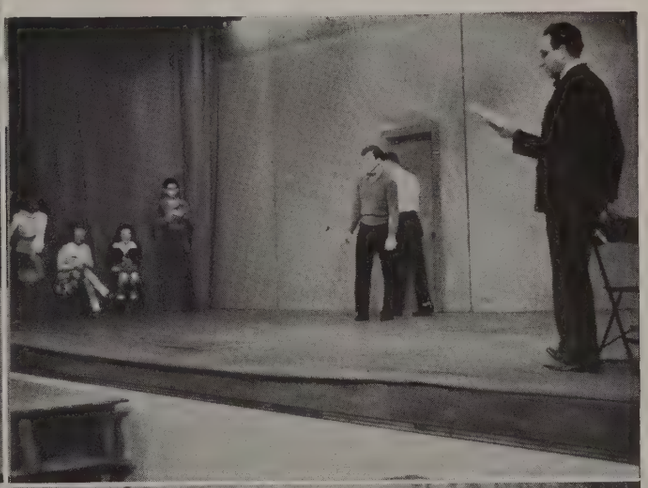
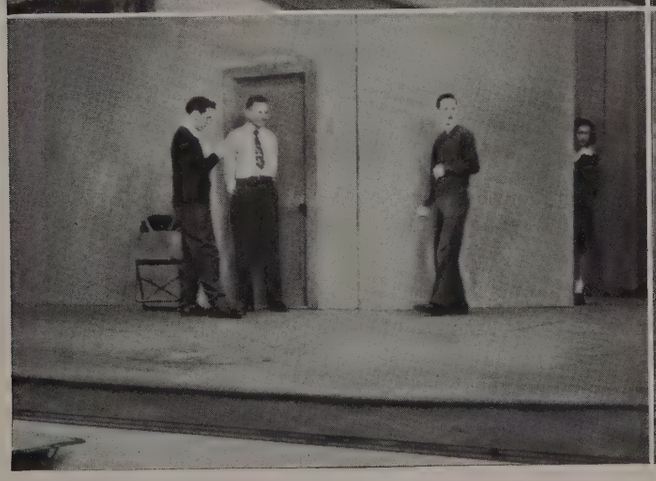
DRAMATIC SERVICE

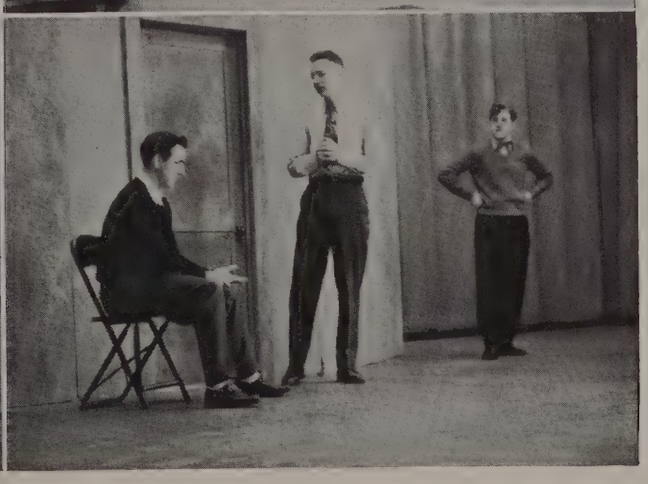
Dramatic service for both boys and girls gave the students an opportunity to show their ability in the form of such activities as pantomine, voice recording, short skits, and poetry.

Under the direction of Mr. Lane the girls met on Mondays and Wednesdays during the eighth hour, while Tuesdays and Thursdays were set aside for the boys.

The two groups were also given exercises in enunciation. Their final presentation was "The Taming of the Shrew" by William Shakespeare.





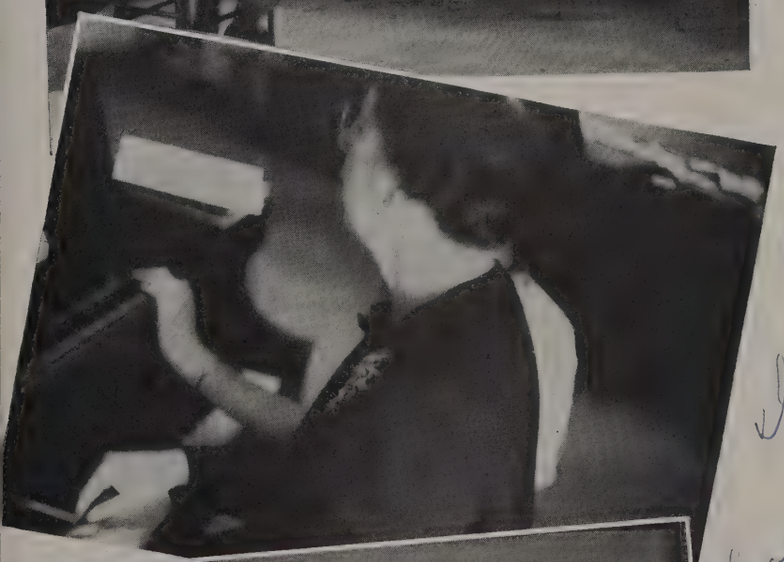


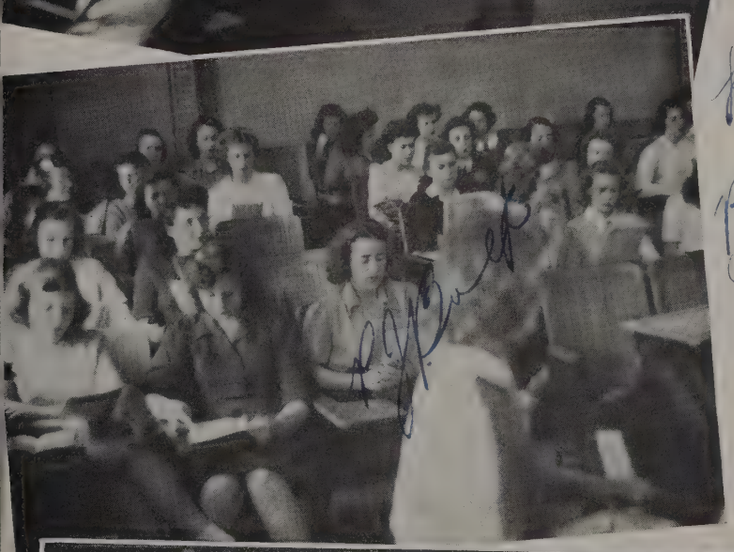
RED CROSS SEWING

Each Tuesday 14 girls meet under the direction of Miss Kroes to make slippers, bags and other items sent out by the Red Cross for them to work on. They do all their work in class only taking it home occasionally to add some last finishing touches. So far they have completed about a dozen slippers for wounded soldiers and three dozen service bags.

CAMERA SERVICE

Every Thursday the camera service groups meets to learn about photography. Members have the opportunity of becoming school photographers. These students work every seventh and eighth hour taking and developing pictures for the school publications and for other school purposes. Mr. Johnson directs these groups.





GIRLS' VOCAL ENSEMBLE

The Girls' Glee Club is under the direction of Miss Sargeant and is ably accompanied by Carol Franzl. The club has given several programs in the community, which were greatly enjoyed by all who heard them. Any girl, who feels that she has musical ability and would like to join, should try out early next September.

SCIENCE SERVICE

The Science Service activity meets eighth hour on Tuesdays in room 118. The activity is sponsored by Mr. Keeney, a science teacher. This activity endeavors to discover and develop exceptional talents and promote interest in science.

The students carry on discussions, perform experiments, and report on new scientific discoveries and inventions. The activity is affiliated with the Science Service Clubs of Washington, D. C.

BOYS' FIRST AID

Many boys in our school are enrolled in this activity which meets during the eighth hour on Tuesday. The club meets under the able direction of Mr. Wolf. The boys learn how to bandage, apply splints and determine injuries. They practice on one another and are helped by teachers of our school who are qualified instructors.

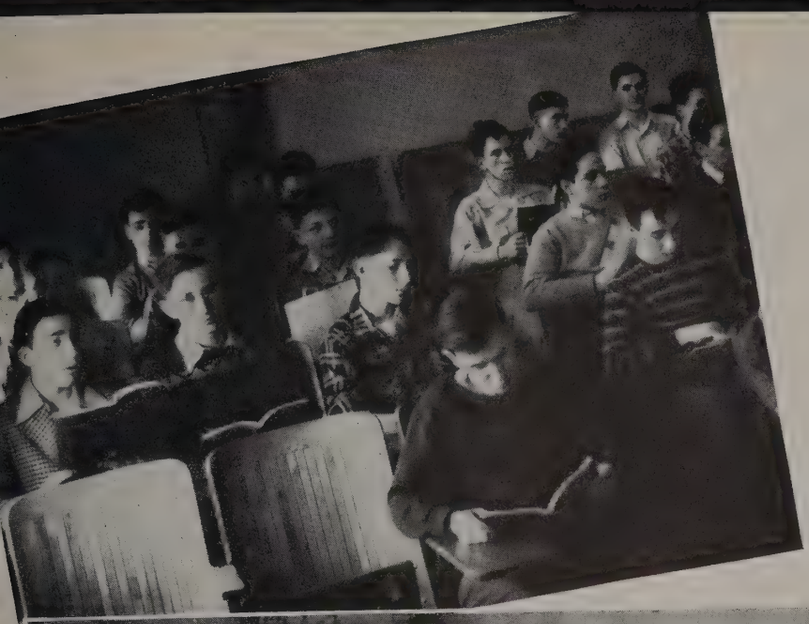
This first aid course consists of twenty class hours. A test is given at the end of the course and all boys who pass the test receive a first aid certificate.

RED CROSS BANDAGE MAKING

Every Tuesday during the eighth period approximately two hundred girls meet under the direction of Miss LaBine, Miss Schwanberg, and under the supervision of the Red Cross Chapter director, Mrs. Fay Peters. They make about three or four hundred bandages a week; knit squares, collect spools from which they make various things, decorate, entertain and paint things for the Soldiers Home.

They recently heard that the bandages they made were being used in Australia and the Pacific War theater.

These King students are happy to know that they can voluntarily help in the war effort.



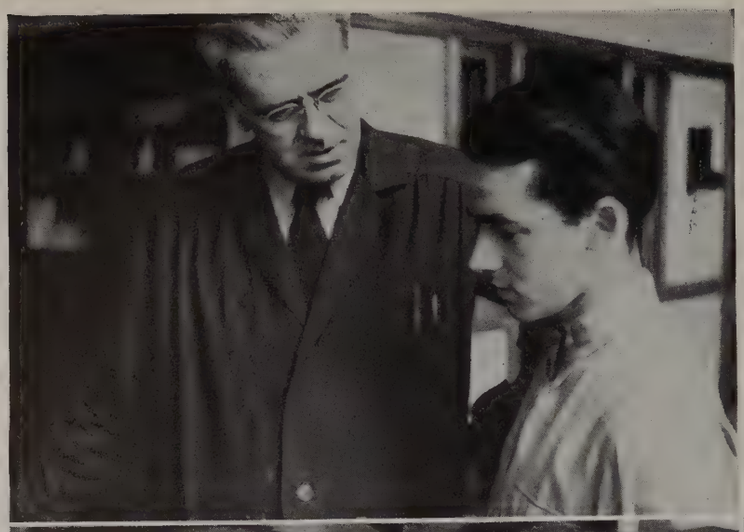
BOYS' GLEE CLUB

The Boys' Glee Club meets regularly every Wednesday during the eighth hour. All boys who like to sing and would like to learn to sing the part best suited to their voices should join this club. The club sang for open house, April 28, and for the Spring Concert.

ACCOUNTING AND TICKET SALES

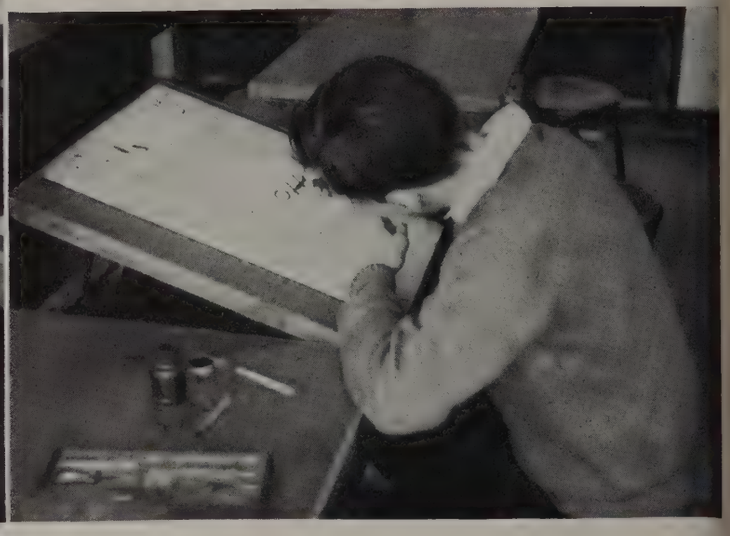
Under the excellent guidance of Mr. Zimmerman fourteen King students put in about two hours a day in the bookstore. They take care of the sale of bonds and stamps; check and collect the money for the King's page and annual; take care of the lost and found; take charge of the accounting for the cafeteria; keep records of the teachers' desk books and all deposits of money; collect graduation, gym towel cards and bicycle court fees; handle the music cards; buy and sell second hand books; sell and keep records of all tickets for all activities; sell tickets for all athletic events; make out tax reports; and pay all bills.

With their vitally important service the school business is run in a smooth and orderly manner.



ART SERVICE

The students of this activity meet every Monday, Wednesday and Thursday during the eighth hour in room 119 under the able direction of Mr. Tillotson. Many posters, signs and advertisements for football and basketball games around the school are done by the members of this service. During the war loan drives one saw many posters, emphasizing the real importance in buying bonds and stamps, which also were done by this group.



BOY SCOUTS

With the Boy Scouts playing an important part in the world today, the Rufus King troop 171 is doing its very best to speed a faster victory.

With the troop consisting of about sixty scouts, activities are numerous. First aid, camping, and athletics head the list and have accounted for much of the time and effort of the boys.

LEADERSHIP SERVICE

The leadership activity meets every Monday during the eighth hour under the supervision of Mr. Keeney. The purpose of the Leadership Service is to teach traits of leadership and to assist the student in making these traits a part of his personality. They aim to bring this about by making a study of personality; teaching poise and the necessity of being able to adjust one's self quickly to new situations; studying school problems and taking the initiative in trying to carry out the standards of conduct set up by the school administration and faculty; and studying the personalities and leadership traits that made great leaders.

MANUAL ARTS

The activity meeting on Monday during the eighth hour under the direction of Mr. McElroy, is doing wonderful work in keeping the school up to its standards. The members are kept busy repairing chairs and stools, along with other improvements for the school. They also provide any stage equipment needed for programs and do various jobs as they are needed to be done.

MORSE CODE

The pupils of the Morse Code activity meet with the teacher, Mr. Zahorik every Monday in room 121.

They learn how to decode messages and how to send a wireless message. This training is very interesting and invaluable especially in these times.

THE STRING QUARTET

The String Quartet, which is under the sponsorship of Miss Sargeant, is selected from the numbers of the string section of the orchestra. It is held once a week. The students enjoy playing in these groups because it is a challenge to their musical ability. A liking for chamber music (playing in a small group) carries over into adult life, for it is easy to get three or four fellow musicians together in a private home.

INSTRUMENTS

The activity for woodwind instruments meets on Tuesday in room 121 and is sponsored by Mr. Zahorik: "The aim is to arrive at good intonation and ensemble in the section. By that we mean that all the instruments of the same kind must try to sound as one instrument as much as possible. If the music is to sound well a breath must be taken at the proper place in the phrase. All like instruments still have something individual about each one of them and it is the discovery and control of these oddities that makes for good ensemble, or should we say pleasant listening. This is what we strive for and the farther we get the more accomplished is the individual and the more pleased is the audience."

The basses and horns group meets on Wednesdays and the brass instruments on Thursdays.

VISUAL SERVICE CLUB

King is the first school whose movie projectors, public address system and other such equipment are operated entirely by students. There are two clubs organized for training boys and girls for this work, both under the direction of Mr. Kuckuk. The beginners' club meets on Tuesdays, 8th hour, and the advance club on Wednesdays, 8th hour. They learn maintenance and repair as well as the proper use of all projectors and sound equipment, thus developing a good foundation for jobs outside of school, connected with this work.

KING'S CROWN

The year of learning is ours; it is time to reminisce. The school dances, bond and paper drives, rallies, sport events, and all the activities that make up the school year are now part of the glorious past. To make them an indelible part of our lives, the people of the Annual Service, meeting every Tuesday and Thursday during the 8th period, endeavored to bring them to you in a pictorial review of the past year.

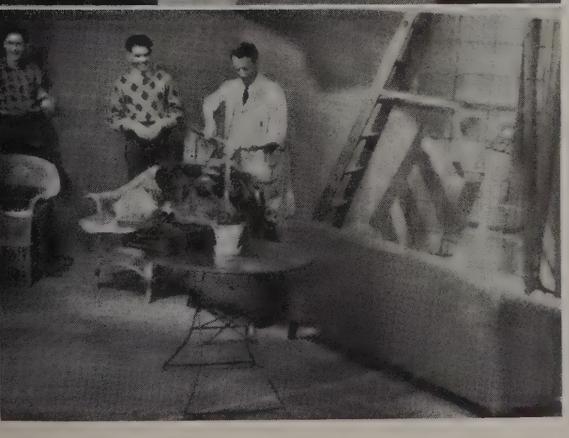
The combined efforts of this group, under the direction of Miss Gaunt and Mr. Hunter, put the book into being.

SCHOOL COUNCIL

The School Council meets every Wednesday during the eighth hour in rooms 212 and 213. Each homehoom is represented by one student to discuss and offer suggestions concerning school problems, and then in turn they bring back reports to the homerooms.

The counselors meet with the Council as an advisory body: Mr. Garbe, Miss Fleer, Mr. Hansen, Miss Kenney, and Mr. Polomis. A student chairman and secretary preside over the Wednesday meetings. The council is divided into five committees, each under the direction of a counselor. These committees meet on Monday during the eighth hour.

The duties include many important things such as: volunteering suggestions for the paper drives, planning Saturday night social affairs, working on the school proms, and assisting in school, community and cadet problems.



STAGE SERVICE

The members of the Stage Service Activity meet every Monday and Thursday in room 103 under the supervision of Mr. Charette. Their chief duties are to make scenery for the plays, to change the setting in between scenes of a play, to provide for the lighting effects, and to set the stage for auditorium programs. At least one semester of shop work is required for anyone who wishes to join.

HEAVEN CAN WAIT

Heaven Can Wait, presented December 3 and 4, 1943, marked the end of a four year objective, the presentation of outstanding plays of different types in successive years. The plays were as follows:

The Late Christopher Bean ---- Comedy
The Case of Mary Herries ---- Melodrama
A Connecticut Yankee In King Arthur's Court ---- Farce
Heaven Can Wait ---- Fantasy

The characters in this play were enacted by:

Walter Gross ---- First escort
Edward Braun ---- Mr. Jordan
Ted Passaris ---- Second escort
Jim Hyneck ---- Joe Pendelton
Dick Swenson ---- Messenger 7013
Iris Friedrichs ---- Nurse
Bill Marris ---- Tony Abbot
Harriet Stallman ---- Mrs. Farnsworth
Helen Klein ---- Mrs. Ames
Joyce Pielmeier ---- Betty Logan
Gilbert Lemke ---- Workman
Muriel Stetter ---- Ann, maid
Robert Muzzy ---- Max Levene
Gail Kuckuk ---- Susie, maid
Gordon Jost ---- Williams, detective
Charles Swain ---- Plainclothesman
Bill Steinert ---- Lefty, manager
Bob Holtz ---- Doctor
Loretta Bergmann, Joyce Dennison ---- Passengers for heaven
Lowell Eggert, Arthur Haecker, Carol Roessler, Richard Hall, Erma Lilland, Gloria Smith, Romona Steffes, Alice Welke.

The director and producer was Mr. Lane, the student director, Janice Trampe.

KING'S PAGE

Hundreds of free subscriptions sent to boys in the ırmed forces, who anxiously await news from their ılma mater, is an important task accomplished by nembers of the publication group.

Through THE KING'S PAGE the students and fac- ılty as well as servicemen are kept informed of the events which take place during the entire school year.

The opportunity of running down news stories, writing headlines and doing page make-up is open to all students who would like to find out how a newspaper is run. The activity is under the direction of Miss Gaunt and Mr. Hunter, and meets every seventh hour in room 514.

VARSITY FOOTBALL

An outstanding football team appeared last fall in the varsity football turnout. Putting their "all" into what they were taught and practiced they closed a victorious season with six wins, one tie, and one loss. Under the watchful eyes of coaches Wolf and Hanks the team had become one of the best ever to represent King. The boys swept out to win all of the conference games except that with Washington.

Probably the most hectic of all the conference games was that with our old rival North. With an unexpected push of spirit and grit they pushed the Generals down to their own 18 yard line and in the second quarter to the 8 yard line. With the spectators wild with excitement our squad held the line and began an offensive of its own. In the closing minutes of the game King went over for two touchdowns to win.

"B" TEAM

To understand the fundamentals of football and to play under the rules and regulations of actual game conditions is the purpose of the "B" team. This opportunity to learn the sport is building our sound, sturdy, future varsity. Though daily practice is hard work it results in players who know what they are to do. Mr. Charette coached these boys and taught them the art of co-ordination and cooperation by which they would stand ready for the coming matches. The material which makes the backbone of every squad was brought out and the team went through the season to have a matched score of three wins and three losses.

Top Row — William Henke, Warren Steffen, Douglas Gostchock, Richard Boelk, Eugene Zwisler, Sherman Michaelis, Robert Kupah, William Born, Walter Schoof, Richard Schorse, Richard Schulz, Eugene VanDorf.

Third Row — Coach Bubeck, Donald Fritzke, Neal Raatz, Dewain Stehr, Paul McBain, Ralph Lohmann, Robert West, Floyd Lyneis, Murray Wessler, Lowell Norman, Richard Deleff, Gerald Dahl, Robert Feller, Coach Stewart, Manager Brasch.

Bottom Row — Warren Engelke, LeRoy Spandenburg, Ralph Smith, Carl Tyriver, Donald Loppnow, Bruce Bryan, Homer Krauss, Thomas Deleaney, John Weyker, Richard Goelzer, Frank Cosentino.

FRESHMAN-SOPHOMORE TEAM

King's Freshman-Sophomore team came out in the end of the season with a mixed score of two wins, two ties, and one loss. The boys on this squad really did a great job and we are proud of them. You probably saw them outside practicing and you probably noticed that sometimes it was raining pretty hard. Well, that is what a team has to go through to make the fellows play with real pep. Out on the field you also saw two forms huddled up watching the workout and issuing orders. These were the able coaches Mr. Bubeck and Mr. Stewart. With this team full of fighting spirit we can safely say that we will have a good team in the future.

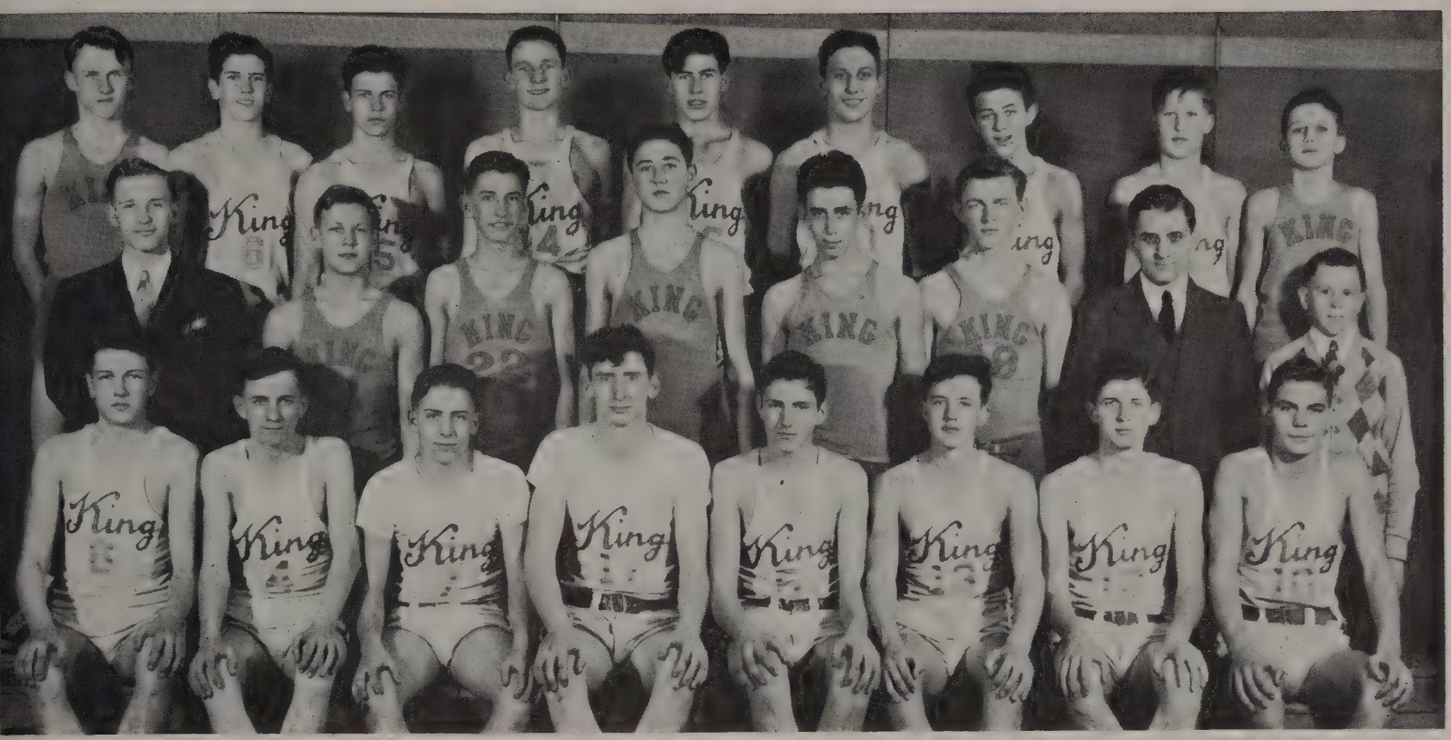
VARSITY BASKETBALL

Answering coaches Polomis and Vervloet's call for basketball in October, were one retiring letterman, Earl Halverson, and Clem Schmidt, who saw limited action. With these were a large group of green and inexperienced boys. Together with facing four top notch conference opponents and some strong line games with Northside teams the opening prospects were not very promising or encouraging. But the players and coaches set out with enthusiasm and determination to develop a winning team.

After dropping the three non-conference games to Lutheran, Kenosha and Marquette, a winning combination was developed which threatened Washington and beat them in a stubborn game with the score of 23 - 29. They then defeated Custer and East, leaving us with a record of four wins and two defeats. Through the midsemester graduation King lost Halverson and Lange which deprived them of what little height they had. However, they won another game which qualified them for the city playoffs. King finished the regular conference with a standing of 500, winning five games and losing five. This was an improvement over last year's conference games record of four wins and seven losses.

The Generals then drew South as their first opponent in the city playoff, losing to them in the second quarter but making a game of it in the first half. South went on to win the city playoffs.



Top Row — Spence Potter, Lowell Norman, Richard Gest, James Bub, Eugene LaPlante, John Trgo, Frank Cosentino, James Meinecke, Richard Schultz.

Second Row — Coach Stewart, Fred Niedermeyer, Thomas Seidlitz, Gerald Dahl, Irving Malawsky, Donald Haarmann, Coach Kezele, Herbert Leppien (Manager).

Bottom Row — Eugene Zwisler, Kenneth Liebherr, Glenn Uebersohn, Robert Kupsh, Douglas Gostchock, Carl Rady, Arthur Zimmer, Richard Deleff.

FRESHMAN-SOPHOMORE BASKETBALL

King's freshman-sophomore team stepped out last season to take its place among some of the best in the league. They ended with six wins and four losses. Mr. Stewart and Mr. Kezele were their coaches and they did a fine job in making this team move with coordination. We will be seeing a lot more of the fellows on that squad before the end of the forthcoming semester. Good Luck.

GIRLS' SPORTS

Resuming the former plan of intramural activities, girls were again offered 8th hour gym activities, meeting Mondays, Wednesdays, and Thursdays.

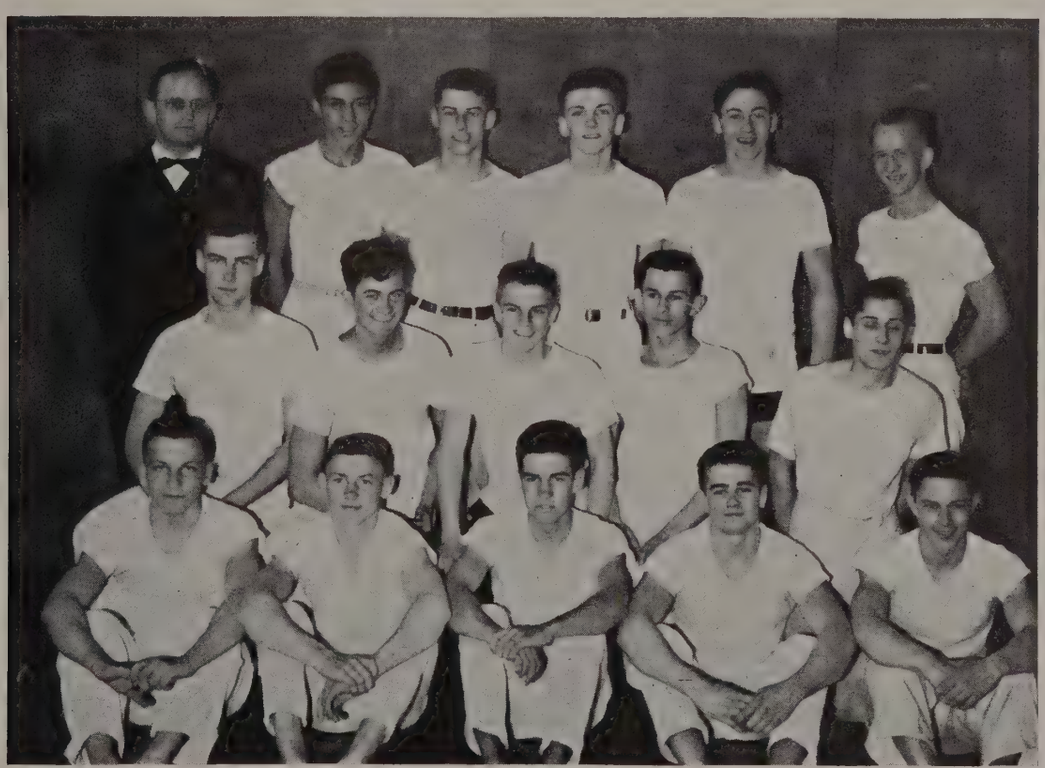
Miss Scherkenbach, Miss Ludwig, and Mrs. Foti were in charge of the sections.

Having permission to choose their own activities the 12th grade girls selected recreational activities, the 9th graders took basketball and tumbling, and the 10th and 11th grade girls chose basketball and social dancing.

TENNIS TEAM

Top Row — Kenneth Klabunde, Virden Leopold, Jack Wierschem, Fred Niedermeyer, Kenneth Henrichs.

Bottom Row — Allen Belkind, James Kochie, Coach Kezele, Paul Sackenheim, Robert Thompson, Donald Schnyder.



GYM TEAM

Back Row — Coach Wolf, Eugene Gilbert, Walter Holzhauer, Gordon Nuck, Donald Volk, Grant Hermening.

Second Row — Robert Whitson, Donald Weber, James Hecker, Frank Gerschke, Robert Heckel.

Bottom Row — Emil Schmidt, Lloyd Herbstreith, Knox Brandon, Donald Schultz, Eddie Werner.

Mr. Scharf, Donald Koepke, Jack Ginter, Evan Jaeger, Wm. Sixty, Jr., Joe Beck

GOLF TEAM

Although a long schedule is ahead of them the golf team appears to be ready for all opponents and will no doubt make a good record. Bill Sixty who was city medalist in the city tournament last year is again with the squad and is expected to repeat his outstanding record this year.

Joe Beck's improvement has made him another promising man on the squad. With them are two new members who will definitely be needed to put in those extra points to make theirs a winning team. We have held second in the city for the last three years, and there is reason to believe that we will do even better this year. Besides the city meet this year there will be a city handicap in which every school takes part. This will also afford all the boys a chance to play against competition.

It is only proper at this time for us to express our thanks to the North Hills Country Club for the free use of their course.

Dear Jean
Your the nicest
girl I know. I'm
glad we got in
history class
together. Here's
wishing you the
best of luck and
happiness.

I'm making an
awful mess of
signing these, I'm
afraid, so I'll just
make it short and sweet.
Good luck and I hope
to see you this summer.

Hi Jean,
I hope to see you
next semester. we had
fun this year. at Schuster's
also. are you working there
this summer?
Pat Mangan

Dear Jean,
You know that I think
you're one of the swellest
girls I've known in a
long time or I wouldn't be
signing your [illegible]
Milda

To a dog lover. May
you have him as long
as I have mine.
Love, Jeanne + Tiny.

Howdy doody to you,
Don't have to waste
time saying I think
you're swell 'cause I
hope you know it.
Have fun this summer.
Don't work too hard.
Love
Muriel Stetter
remember me?
